11th International Conference on Networks & Communications (NCOM 2025)
May 24 ~ 25, 2025, Vancouver, Canada

## Call for Participation

We invite you to join us in **11th International Conference on Networks & Communications (NCOM 2025).**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Networks & Data Communications. The Conference looks for significant contributions to the Computer Networks & Communications for wired and wireless networks in theoretical and practical aspects. Original papers are invited on Computer Networks, Network Protocols and Wireless Networks, Data communication Technologies and Network Security. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

## Highlights of NCOM 2025 includes:

- 13th International Conference on Data Mining & Knowledge Management Process (DKMP 2025)
- 9th International Conference on Embedded Systems and Applications (EMSA 2025)
- 14th International Conference on Cloud Computing: Services and Architecture (CLOUD 2025)
- 11th International Conference on Artificial Intelligence and Applications (AIFU 2025)
- 15th International Conference on Computer Science, Engineering and Applications (CCSEA 2025)
- 11th International Conference on Signal and Image Processing (SIPRO 2025)
- 14th International Conference on Software Engineering and Applications (SEA 2025)
- 6th International Conference on Block chain and Internet of Things Applications (BIoT 2025)
